Office of Legislative Counsel

Tuesday - 10 May 1955

1. At the request of Mr. Mandel, of the staff of the Senate Internal Security Committee, I interviewed Mr. Werth Zuber to hear his ideas regarding youth movements abroad. Mr. Martin McLaughlin of IO Div. was also present. It was agreed that we would be happy to see any material which Mr. Zuber developed, but as he is now in the Army there is little further action which we can take.
